

WOODLANDS CONSERVANCY

Creating a legacy for future generations

Woodlands Conservancy was formed as a nonprofit, 501 (c) 3 organization with the mission to preserve and develop an ecosystem dedicated to creating daily public opportunities for recreation, ecotourism and education in a natural and historic setting.

America's Wetland Birding Trail – connection of open space for preservation of habitat for wildlife and over 100 species of Migratory Birds

Equestrian Trail – natural trail along the river levee and through forested areas

Increased Community Access – increased access to the river and ruins of Stanton Sugar Mill and Plantation, WW II Ammunition Magazines, Fort St. Leon and other historic sites

Mississippi River Trail - part of a 2552 mile bike pathway beginning at the headwaters of the Mississippi River in Lake Itasca and traveling to the Gulf of Mexico
